

Conference Publications: Department of Computer Engineering

Authors	Title of the paper	Name of the conference	Year of publication
Prof. A.M. Bhadgale	Virus Detection using Deep Learning	ICAIECES-2017 & ICPCIT-2017	April 27-29th 2017
Prof. A.M. Bhadgale	Implementation of Improved ID3 Algorithm Based on Association Function	ICAIECES-2017 & ICPCIT-2017	April 27-29th 2017
Prof. Pradeep P.Laturkar	Decting Malicious Apps on OSN Face-Book walls	4 th International Conference on Science, technology & Management	15/05/2015
Prof. Ashlesha Sawant	Correlated Probabilistic Graph By Using Effective Clustering Methods”	cPGCON 2014-15	13-14 March 2015
Prof. Pradeep P Laturkar	IP Telephony - Replacement of PSTN PBX System in small Organizations	National conference on advanced computer networking	17-18 Feb 2015
Prof. G. V. Garje	“English to Marathi Rule-based Machine Translation of Simple Assertive Sentences	cPGCON-2014	2014
Prof.D.D.Sapkal	A Survey on Node Authentication in Spontaneous Wireless Ad-hoc Network	International Conference on Emerging Trends in Computer Science & Engineering	[ICETCSE-2014] 7-8 March 2014
Prof.D.D.Sapkal	RFID in Mobile fighting Crime Devices based on Information Technology by Police Cloud computing	International conference on ICEISTCON-2013	23 march 2013
Prof. B.Y.Jani	Watermarking Schemes for Relational Databases	ITResearch International Conference on Advanced Computer Science and Information Technology	PUNACSIT-1003-027
Prof. B.Y.Jani	Interoperation of Bluetooth and TCP/IP	IRNet International Conference on Computer Science and Engineering	ICCSE-3FE12_027
Prof.Ms. B. C.Julme	Head Pose Estimation and Voice Recognition System for Driver Assistance	International Conference on Advanced Computer Science and Information Technology, (ICACSIT) Nagpur	24 th Feb 2013
Prof. A. G. Dongre	“Hudson Plugin development”	International Conference on Computer Science and Engineering(ICCSE),Mumbai, Feb 2013	2013
Prof. A.M. Bhadgale	Antiphishing Toolbar	RITS ICAEM-2013	2013
